

## General Overview

**Position:** Veterinary Assistant

**Company:** Horizon Equine Veterinary Services

**Location:** Kelly, IA

**Duration:** May 13th - August 13th

## My Advice

Obtaining an internship is essential for students as it bridges the gap between the classroom and real-world experience for students to explore their career interests.

## Impact

The hands-on experience deepened my passion for equine care and inspired me to continue pursuing my dream of veterinary medicine.

# Hooves & Healing: A Summer with Equine Medicine

By: Madeline Harford
