*Free electives and Personal Development courses are chosen to compliment the student's "specialized degree option" or other career interests. Electives are any class that is not listed as "required". There are five categories of Personal Development: Humanities, Social Science, Ethics, US Diversity, and International Perspectives. There are many classes that meet each of these requirements. **Lists of Personal Development courses that satisfy group requirements are located on the College of Agriculture and Life Science website (cals.iastate.edu → Current Students → Approved Course Lists).** Please contact Dr. Bundy (jmbundy@iastate.edu, (515) 294-7219) with questions.
